REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The recitations of the specific features of the cargo system in claim 1 including especially the construction of one of the plurality of compartments further includes a liquid container having two portions a first container portion connected to said one of the compartments and a second container portion suspended within said one of the compartments is not taught nor is fairly suggested by the prior art of record.

The recitations of the specific features of the cargo system in claim 10 including especially the construction of the tube suitable for passing liquid, the tube being connected to the liquid container and emerging from the cargo system is not taught nor is fairly suggested by the prior art of record.

The recitations of the specific features of the method of enhancing the utility of a vehicle in claim 18 including especially the construction of attaching a first compartment to a roof of the vehicle; placing a retractable awning in the first compartment, and rigidly attaching a second compartment to the first compartment is not taught nor is fairly suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
